Instruments for Professionals

▪ ABOUT US

For over 25 years, Praise Corporation has been devoted to providing its customers with the highest quality surgical instruments. Praise, is committed to provide you with the highest quality surgical instruments.

We are the original equipment manufacturers (OEM) for surgical instruments. Our product depth covers thousands of instruments ranging from the typical instruments used in the clinic to sophisticated instruments required during surgeries. We deem, however, pertinent to submit further that the range and scope of our production activities is not limited only to our product literature. We can produce instruments even if not depicted in our catalogue. We receive samples or photos or references from the world-renowned company's catalogue.

QUALITY / INNOVATION

At Praise, the quality is set in motion through motivated specifications planning by trained technical personnel. The computer aided designing and imaging provide visual instruments a set configuration, which simplifies each aspect of instrument manufacturing.

QUALITY CERTIFICATIONS

We have all the required Certifications like ISO 9001:2008, ISO 13485:2003 + AC 2009, cGMP (FDA) and CE.

FUTURE ORIENTED

We are a forward-looking company, and are determined to cover more milestones so as to be the world leaders in our field in the days to come. We shall cooperate with you every way possible, and assure you to serve your business interests the best way possible.

COMMITMENT

Our commitment is to meet the changing needs of healthcare systems and to lead the industry by providing quality surgical instruments at competitive cost.

We understand the diverse needs of our customers and know that quality along with delivery times are the most important and common requirements of our customers from both the segments. This realization allows us to serve our customers in the most efficient and cost effective manner.
